Owl House Foundation,

HASA GOLD CERTIFICATE — 25TH ANNUAL SYMPOSIUM, GRAAFF-REINET

It is with great pride and sincere pleasure, on behalf of the HASA Council, that I extend our warmest congratulations to the Foundation on being selected as a recipient of the HASA Gold Certificate at the 25th HASA Annual Symposium in Graaff-Reinet.

The HASA Gold Certificate is one of the Association's highest honours. It is bestowed in recognition of exceptional and sustained service to the heritage of South Africa, and acknowledges those whose dedication, knowledge and commitment have made a lasting difference to the preservation, conservation, interpretation and appreciation of our national heritage.

Your contribution stands as a meaningful part of that heritage journey. Through your work and commitment, you have helped ensure that our heritage is not merely remembered, but protected, valued and passed on to future generations.

As HASA celebrates 25 years of service to heritage organisations and communities throughout South Africa, it is particularly fitting that this milestone should provide an occasion to honour those whose dedication has enriched and strengthened the heritage landscape of our country.

The HASA Council therefore takes great pleasure in inviting you to the 25th HASA Annual Symposium Gala Dinner in Graaff-Reinet, where your Gold Certificate will be formally presented and celebrated in the presence of fellow heritage practitioners, representatives of affiliated organisations and friends of HASA from across South Africa.

This will be a particularly memorable occasion in the history of HASA, and we would be honoured to have you with us as we celebrate 25 years of heritage service and look towards the next 25 years.

Please accept our heartfelt congratulations and profound appreciation for your remarkable contribution to South African heritage. Your achievement is richly deserved, and we are privileged to recognise it on this important occasion.

We look forward to welcoming you to Graaff-Reinet and to sharing this memorable evening with you.

With highest regards and sincere appreciation,

André Botha
Chairman
Heritage Association of South Africa (HASA)
On behalf of the HASA Council
